HALF A DOZEN FRIED.

Little Andrew and a Big Darkey Have a Boated Discussion A Ping of Tobacco the Argument

"Little Andrew" the handsome young

aight clerk of the New York Owner House with a bold, bad negro last night in which PRIBULMEN HIT WITH BRICKS he same off with flying colors. The fellow concred the resignment and asked for "halfa dozen fried. He six them with avidity and then planked down a Canada ten cent sures with a bule in the rim as his idea of a fair compensation. "Little Andrew" may not weigh much on the scales, but he is terrible when aroused and before he had got half way through his peroration the negro egan to grow greenish about the gills and he tremblingly, drew forth a dingy white handkershief and deposited it on the counter as socurity till be should call around agin and settle. The sight of the hand threateningly on a plug of chewing tobacco that he carried in his hip pocket. fully made up his mind on the subject. This managive caused the terror-striken darkey to discover another dirty cotton counter. He then beat a rapid retreat to had reached the street and was a safe dis-tance away, he suddenly turned around. House in June it will be the second marproked up a rock and with a curse hurled it stone rolled on the floor, merrowly missing a customer, and the miscreant fled.

A DETROIT DOCTOR.

Who Manages to Get Himself Advertised by Exhibiting His Mother's Ashes An Enthusiastic Cremationist.

Devicer, April 19 - Dr. Hugo Erichner Detroil's fresh young apostle of cremation, is making the people rather tired. He has been dinning the cremation idea to the people of this city for two years. His name During the afternoon serious will proceed with got into the papers, and undoubtedly tended move in society. It is probable that the President will go away for some time after tion, although some sage and retiring practitioners are likely to consider his methods profoundly anethical. Not a day passes in which Dr. Erichsen does not manage to get his name in the Detroit papers. He has advance of antitration. The operative test When she was in Washington last a number of paragraphs were printed Moses W. Field, and has organized a stock about her school life, which she traced company, composed principally of Mr. slobers, to one or two of her school friends. She quarreled with them for it. It is said that the death of his mother, Herromains were consumed at Lancaster, Pa., and the son lossled on complacently. He seems to have enjoyed it, for he has never since ceased, to dilate upon the beauty of the incineration peromony as thus exemplified. One of the curiosities of his house is his mother's Miss Folsom a hair is soft and brown, of a volving urn, and keenly enjoys exhibiting a shade between light and dark it is them as a practical demonstration of the and loose wave tendrils fail away from their issunder of cremation. Dr. Erichsen has He prespective father-in-law, His remains were incinerated today at press car were taken on in their domination Buffalo, and Dr. Erichsen will soon have another boudgir ornament.
